INTERNSHIP EXPERIENCE

Python Programming Intern — CodSoft

4-Week Virtual Internship

- Developed small Python-based applications as part of internship tasks.
- Created a Rock Paper Scissors game with GUI.
- Developed a GUI-based Calculator using Tkinter.
- Developed a To-Do List application for task management.
- Improved understanding of Python programming, GUI development and application logic.

PROJECTS

Personal Portfolio Website *HTML | CSS | JavaScript*

- Designed a personal portfolio website to showcase education, skills, projects and achievements.
- Created responsive sections for About, Skills, Projects and Contact.

To-Do List Application *Python | Tkinter*

- Developed a simple desktop application for managing daily tasks.
- Implemented task management features with a basic user-friendly interface.

Rock Paper Scissors Game *Python | GUI*

- Created an interactive game with Python.
- Implemented game logic and graphical user interaction.

ACHIEVEMENTS

- ISSF Air Pistol Shooter — Junior Men's Category.
- Participated in state/inter-college level shooting competitions.
- Developed discipline, concentration and consistency through competitive sport.

CERTIFICATIONS

- Python Programming Internship — CodSoft
- Add other relevant certifications here.

SOFT SKILLS

Problem Solving • Fast Learner • Teamwork • Time Management • Attention to Detail • Communication • Discipline

INTERESTS

Software Development • Web Development • Cybersecurity • Competitive Shooting • Reading • Travelling
